4. The ticket quantity will reflect 2 tickets for one unspecified home game. Game assignments will be determined during the alumni ticket lottery. ***NOTE: Alumni applications received by the deadline will be submitted using deferred payment, so the total amount due on your online ticket application will reflect \$0. No payments will be processed until the lottery process has been completed in July.**
5. Special Seating Requests must be entered on your online lottery application in the COMMENTS/GROUP SEATING REQUESTS field. You will want to include a brief description of any special seating needs you require. If you would like to request group seating with another alumnus, enter the Ticket ID and account name of the individual and they should do the same on their online application. We cannot guarantee the fulfillment of every group request received.
6. Click ADD TO CART
7. Select delivery method and click CHECKOUT
8. Enter payment information and click SUBMIT PAYMENT. Be sure to print off the confirmation page for your records.

DEFERRED PAYMENT AND LOTTERY NOTIFICATION: Your credit card will not be charged at the time you submit your online order. Credit cards will be charged by the first week of July for those successful in the alumni ticket lottery. Once you submit your deferred payment you will be entered into the 2008 alumni ticket lottery. A random lottery will take place during the month of June and those who are successful will have their deferred payment processed and be notified via e-mail in July. That particular notification will also include the game you won in the lottery. If demand exceeds supply we reserve the right to reduce or refund your order.
