

The Ohio State University Alumni Scholars Program Information for the student

The Ohio State University Alumni Scholars Program (ASP) is intended to provide recognition and financial assistance to outstanding incoming freshmen. The Ohio State University Alumni Association coordinates the program, with the support of the local alumni club, the offices of Admissions and Financial Aid, and the Office of University Development.

Your local alumni club offers an Alumni Scholarship award. It is a merit-based scholarship. The standards of selection for this award are:

- Applied to The Ohio State University
- Demonstrating involvement in school and community activities
- Showing a sound interest and positive attitude toward college work

You should complete Part I of the *Alumni Scholars Program Application*, and then have your principal, counselor, or teacher complete Part II, which will recommend you for the scholarship. It is very important that this person attach a copy of your transcript to the application. **The alumni club scholarship chairperson must receive the completed application, with transcript, no later than the date specified on Part III of the application.** The chairperson's name and address can be found on Part III of the application.

You must also complete an **Undergraduate Admission Application** in order to be considered for this scholarship. The application can be found on *The Ohio State University website*. Apply on line at <https://www.applyweb.com/apply/osu>. If you wish to file a **Free Application for Federal Student Aid (FAFSA)**, it is also available through your counselor or on the web at www.fafsa.ed.gov.

Award posting from the Office of Student Financial Aid will be visible to the recipient's account beginning in late March to the student's OSU.edu account. If you are a recipient of an alumni scholarship award, it will be listed in the name of the Alumni Club. There are occasions when the recipient is not determined until summer. In order to keep a scholarship, a student must maintain full-time enrollment (minimum 12 hours) for each quarter he/she receives the award.

If you are going to be an OSU varsity student athlete, you will not be eligible for the club scholarship award.
